STUDENT DRIVERS AND PASSENGERS IN STUDENT DRIVEN VEHICLES

- Students are permitted to drive to school in private vehicles provided they and their parents complete the permission form and return it to the Administration Office.

- Students are permitted to travel as passengers in student driven vehicles provided both sets of parents give their permission on the permission form.

- All vehicles must observe the 10 km/hr speed limit (walking pace) within the school grounds and all parking restrictions.

- Students must only leave the school grounds as per their flexitime approval.

- This permission only applies to students travelling directly to and from the school. Special permission must be sought for the use of private vehicles for excursions.

- The school reserves the right to withdraw permission from both drivers and passengers if circumstances require.

- The car park is OUT OF BOUNDS except when parking your vehicle or leaving the school.

- Student drivers must not park in areas reserved for Stadium personnel or other marked areas.
